University Club Policies... or ... "The Fine Print"

Membership

The University Club is a private member based club, catering exclusively to our members. All functions must be booked by a Club member or be sponsored by a member. A sponsoring member accepts full financial responsibility for any function they sponsor.

Space for all events must be reserved through the business office, and this should be done as far in advance as possible. All specific catering arrangements must be confirmed at least 10 days prior to your function to ensure ample time to suitably arrange all details.

Reservations

A reservation for an event is confirmed when the non-refundable deposit is received. The Club grounds may also be reserved for your wedding ceremony or extra patio space. Please contact the office for details and a tour.

Please note the University Club reserves the right to relocate any function to an alternate room within the Club when necessary, due to changes in guaranteed numbers, maintenance etc.

Facility Information

All bookings are for a maximum eight-hour period. If you require the premises for more than eight hours, an hourly charge of \$100.00 will be assessed.

The following services are provided at no extra charge for all of our events; glassware, white table linens, china, flatware, podium and wireless microphone, and for weddings we are also pleased to include: the set up of a registration table, a gift table, a cake table and head table (if required).

Menu Selection

The Club requires **all menus to be selected a minimum of ten (10) business days prior to the event date.** In the event that any of the guests in the organizer's group have food allergies or other dietary restrictions (vegetarian, gluten free etc), the organizer shall inform

the Club of the nature of the restrictions in advance. It is also the organizer's responsibility to inform such individuals that they must identify themselves to staff.

We regret that you cannot provide your own catering services; nor can you contract for these services with another supplier (with the exception of wedding cakes). In addition, due to health department regulations, liability and insurance concerns, left-over food may not be taken from the premises, therefore, quantities should be carefully considered when ordering.

Guarantees

We require a preliminary estimate of attendance when booking your event and selecting the menu. We then require a final guarantee of the number of guests attending 72 hours (3 working days) prior to the function. The client is invoiced for the guarantee or actual number of people in attendance, whichever is higher. **The guarantee is not subject to a reduction after the 72 hour notice.**

Payment Terms

The University Club requires payment of the total estimate seven days prior to the event. A final billing will be done the next business day following the event and any difference will either be refunded or invoiced to the primary contact.

Gratuities

The Club suggests clients consider a gratuity of 15% on all function invoices with food and beverage. All gratuities are paid out to staff.

Deposit

A confirmation/damage deposit of \$500 is required to secure the use of the Club. This deposit will be held until a thorough building inspection has been conducted upon completion of the event. The organizer will be held responsible for any damage to property or equipment caused by the organizer or his/her guests. Assuming no damage has occurred, the deposit will be applied against the final bill.

Parking

The Club has no governance over parking on campus (but we sure wish we did!). Parking is monitored by the University of Saskatchewan Parking Office and **meters in the Club parking lot are often in operation until 10pm.**

There is public parking at "R" lot (just in front of the PAC and across the road from the Club) after 5 pm, evenings, weekends and holidays and the Stadium Parkade on College Drive offers over 800 parking spots year round.

Departure

The Club closes the bar by 1:00am at the latest; last call will be performed at 12:30am (if you wish to make an official last call) with building evacuation by 1:30am.

The Club is required by law to submit a Socan fee for any Dj or recorded music brought into the Club.

Liability/Other Rules and Regulations

The University Club reserves the right to close down any event should it pose a security risk to guests, staff or Club property, or in any case where there are violation(s) of Federal or Provincial Law.

The organizer and his/her guests will be responsible for any misuse, damage or losses sustained to the premises of the Club incurred as a result of the member or his/her guest's conduct, and will result in their responsibility to cover the costs of repair/replacement if necessary.
