At the minimum, a corporate membership costs the amount of two personal memberships and allows two named people to act as designated members.

3-year lump sum: \$2154.60 for 2 members (+ \$538.65 for each additional member)

1-year lump sum: \$718.20 for 2 members (+ \$179.55 for each additional member)

For members in addition to the first two, a 50% discount applies. The names can be periodically changed with staffing changes, etc., but not day-to-day.

For example, if you require a 1-year membership for 4 people, it will cost $718.20 + 2 \times 179.55 = \1077.30 , which is 4 memberships at the cost of 3.

Similarly, a 3-year corporate membership for 4 people will cost $2154.60 + 2 \times \$538.65 = \3231.90
